HOME / SCHOOL

AGREEMENT

Our school aims to develop the 'whole' child. Learning can only take place when there is a positive ethos, stimulating and purposeful activity and respect for each other.

The Home / School Agreement is an important link between the child, the parent and the teacher. Our aim is for all children to succeed whatever their abilities or needs.

Every effort will be made to encourage high standards of work or conduct and for the children to develop a sense of personal responsibility.
