

Head Teacher's Welcome Message

Hello and a Very Warm Welcome to John Emmerson Batty Primary School

At John Emmerson Batty Primary School we learn together to achieve success for all, based on high expectations and equality of access for all.

Our **ABCs** Mission Statement encapsulates what we are all about. We help children **Achieve** by ensuring they **Believe** in themselves and by providing **Challenge**.

We nurture the growth of the whole child; academically, socially, emotionally, morally and physically, celebrating all achievement in a safe, caring and creative environment. We believe a happy child will be a successful child and we passionately work to ensure everyone enjoys school and achieves success. We do this by providing the best teaching and learning experiences through an exciting, engaging and challenging curriculum.

The whole team works together to bring learning 'alive' and extend pupils' experiences so that they develop a love of learning and are well prepared for the next steps in their education. We have very happy, dedicated and hardworking staff and governors, who will always go that extra mile and put the children's needs at the heart of their actions- as only the best will do for the children in our care.

We work in a very close partnership with parents and carers so that every child is fully supported. We know the importance you play in your child's education and actively welcome your involvement in the life of our school. We ask you for feedback on a regular basis, as well as inviting you into school as much as possible. Please see the results of our latest [Parent and Carers' Survey](#) to gain an understanding of what our school community thinks of us.

We will always encourage you to come into school to discuss any suggestions, compliments, concerns or issues you may have. Please call in at any time to see me or make an appointment to speak to any member of the team if we are not immediately available.

I personally guarantee that no individual will ever be overlooked and we will do everything we can to ensure your child feels important, happy, loved and at home in John Emmerson Batty Primary School.

We look forward to working with you to achieve the best outcomes for your family.
