1. Aims

This policy aims to:

- Create a positive culture that promotes excellent behaviour, ensuring that all pupils have the opportunity to learn in a calm, safe and supportive environment
- Establish a whole-school approach to maintaining high standards of behaviour that reflect the values of the school
- Outline the expectations and consequences of behaviour
- Provide a consistent approach to behaviour management that is applied equally to all pupils
- Define what we consider to be unacceptable behaviour, including bullying and discrimination

2. Legislation, statutory requirements and guidance

This policy is based on legislation and advice from the Department for Education (DfE) on:

- [Behaviour in schools: advice for headteachers and school staff](#)
- [Searching, screening and confiscation: advice for schools](#)
- [The Equality Act 2010](#)
- [Keeping Children Safe in Education](#)
- [Suspension and permanent exclusion from maintained schools, academies and pupil referral units in England, including pupil movement](#)
- [Restrictive interventions, including the use of reasonable force, in schools](#)
- [Supporting pupils with medical conditions at school](#)

- [Special Educational Needs and Disability \(SEND\) Code of Practice](#)
- [Sharing nudes and semi-nudes: advice for education settings working with children and young people](#)

In addition, this policy is based on:

- Schedule 1 of the [Education \(Independent School Standards\) Regulations 2014](#); paragraph 7 outlines a school's duty to safeguard and promote the welfare of children, paragraph 9 requires the school to have a written behaviour policy, and paragraph 10 requires the school to have an anti-bullying strategy
- [DfE guidance](#) explaining that academies should publish their behaviour policy and anti-bullying strategy

This policy complies with our funding agreement and articles of association.

3. Definitions

Misbehaviour is defined as:

- Disruption in lessons, in corridors between lessons, and at break and lunchtimes
- Non-completion of classwork or homework
- Poor attitude
- Incorrect uniform

Serious misbehaviour is defined as:

- Repeated breaches of the school rules
- Any form of child-on-child abuse, including but may not be limited to:
 - Bullying
 - Abuse in intimate personal relationships between children
 - Physical abuse
 - Sexual violence, such as rape, assault by penetration, or sexual assault (intentional sexual touching without consent)
 - Sexual harassment, meaning unwanted conduct of a sexual nature, such as sexual comments, physical behaviour, and online sexual harassment
 - Causing someone to engage in sexual activity without consent
 - Upskirting
 - Initiation/hazing type violence and rituals
- Misogyny/misandry
- Vandalism
- Theft
- Fighting
- Smoking
- Racist, sexist, homophobic or discriminatory behaviour
- Possession of any prohibited/banned items. These are:
 - Knives or weapons
 - Alcohol
 - Illegal drugs
 - Stolen items

- Tobacco and cigarette papers
- E-cigarettes or vapes
- Fireworks
- Pornographic images
- Any article a staff member reasonably suspects has been, or is likely to be, used to commit an offence, or to cause personal injury to, or damage to the property of, any person (including the pupil)
- Mobile phones and similar devices

4. Bullying

Bullying is defined as the repetitive, intentional harming of 1 person or group by another person or group, where the relationship involves an imbalance of power.

Bullying is, therefore:

- Deliberately hurtful
- Repeated, often over a period of time
- Difficult to defend against

Bullying can include:

TYPE OF BULLYING	DEFINITION
Emotional	Being unfriendly, excluding, tormenting
Physical	Hitting, kicking, pushing, taking another's belongings, any use of violence
Prejudice-based and discriminatory, including: <ul style="list-style-type: none"> • Racial • Faith-based • Gendered (sexist) • Homophobic/biphobic • Transphobic • Disability-based 	Taunts, gestures, graffiti or physical abuse focused on a particular characteristic (e.g. gender, race, sexuality)
Sexual	Explicit sexual remarks, display of sexual material, sexual gestures, unwanted physical attention, comments about sexual reputation or performance, sharing of nude or semi-nude images and/or videos (including pseudo-images, which are computer-generated images that otherwise appear to be a photograph or video), or inappropriate touching
Direct or indirect verbal	Name-calling, sarcasm, spreading rumours, teasing
Cyber-bullying	Bullying that takes place online, such as through social networking sites, messaging apps, gaming sites, devices or via images, audio, video, or written content generated by artificial intelligence (AI)

Details of John Emmerson Batty Primary School's approach to preventing and addressing bullying are set out in the school's Anti-bullying Policy. In summary, pupils, parents/carers and staff may report concerns to the

class teacher, a senior leader or the DSL. Allegations are investigated fairly, recorded on CPOMS under the correct category and monitored for recurrence. The school protects and supports the targeted child, addresses the behaviour and underlying attitudes of the child responsible, informs families where appropriate and does not use forced mediation where a power imbalance or safety concern makes this unsuitable.

5. Roles and responsibilities

5.1 The local school board

The local school board is responsible for monitoring this behaviour policy's effectiveness and holding the headteacher to account for its implementation.

5.2 The headteacher

The headteacher is responsible for:

- › Reviewing and approving this behaviour policy
- › Ensuring that the school environment encourages positive behaviour
- › Ensuring that staff deal effectively with poor behaviour
- › Monitoring how staff implement this policy to ensure rewards and sanctions are applied consistently to all groups of pupils
- › Ensuring that all staff understand the behavioural expectations and the importance of maintaining them
- › Providing new staff with a clear induction into the school's behavioural culture to ensure they understand its rules and routines, and how best to support all pupils to participate fully
- › Offering appropriate training in behaviour management, and the impact of special educational needs and disabilities (SEND) and mental health needs on behaviour, to any staff who require it, so they can fulfil their duties set out in this policy
- › Ensuring this policy works alongside the safeguarding policy to offer pupils both sanctions and support when necessary
- › Ensuring that the data from the behaviour log is reviewed regularly, to make sure that no groups of pupils are being disproportionately impacted by this policy (see section 13.1)

5.3 Staff

Staff are responsible for:

- › Creating a calm and safe environment for pupils
- › Establishing and maintaining clear boundaries of acceptable pupil behaviour
- › Implementing the behaviour policy consistently
- › Communicating the school's expectations, routines, values and standards through teaching behaviour and in every interaction with pupils
- › Modelling expected behaviour and positive relationships
- › Providing a personalised approach to the specific behavioural needs of particular pupils
- › Recognising hidden stressors for vulnerable pupils, such as young carers or looked-after children, to ensure empathetic and supportive responses to their behaviour
- › Considering the impact of their own behaviour on the school culture and how they can uphold school rules and expectations
- › Using de-escalation techniques and positive behaviour management strategies to try to minimise and prevent the need for restrictive interventions
- › Recording behaviour incidents promptly (see appendix 3 for a behaviour log)

- › Challenging pupils to meet the school's expectations

The senior leadership team (SLT) will support staff in responding to behaviour incidents.

5.4 Parents and carers

Parents and carers, where possible, should:

- › Get to know the school's behaviour policy and reinforce it at home where appropriate
- › Support their child in adhering to the school's behaviour policy
- › Inform the school of any changes in circumstances that may affect their child's behaviour
- › Discuss any behavioural concerns with the class teacher promptly
- › Take part in any pastoral work following misbehaviour (for example, attending reviews of specific behaviour interventions)
- › Raise any concerns about the management of behaviour with the school directly, while continuing to work in partnership with the school
- › Take part in the life of the school and its culture

The school will endeavour to build a positive relationship with parents and carers by keeping them informed about developments in their child's behaviour and the school's policy, and working in collaboration with them to tackle behavioural issues.

5.5 Pupils

Pupils will be made aware of the following during their induction into the behaviour culture:

- › The expected standard of behaviour they should be displaying at school
- › That they have a duty to follow the behaviour policy
- › The school's key rules and routines
- › The rewards they can earn for meeting the behaviour standards, and the consequences they will face if they don't meet the standards
- › The pastoral support that is available to them to help them meet the behaviour standards

Pupils will be supported to meet the behaviour standards and will be provided with repeated induction sessions wherever appropriate.

Pupils will be supported to develop an understanding of the school's behaviour policy and wider culture.

Pupils will be asked to give feedback on their experience of the behaviour culture to support the evaluation, improvement and implementation of the behaviour policy.

Extra support and induction will be provided for pupils who are mid-phase arrivals.

6. School behaviour curriculum

At John Emmerson Batty Primary School, every child and adult has the right to learn, to feel safe and to be treated with respect and dignity. Behaviour is taught through clear routines, positive relationships, calm correction and consistent follow-through.

The school's behaviour curriculum is organised around the Three Rs:

- **Respect People:** use kind words and good manners; listen; keep hands, feet and objects safe; include others; value difference; and seek help when someone feels unsafe.
- **Respect Property:** care for our own, other people's and school belongings; use equipment safely; reduce waste; and help keep the environment orderly.

- **Respect Learning:** arrive ready, follow instructions, participate, try our best, allow others to concentrate, complete work with care and ask for help appropriately.

Pupils are expected to:

- › Behave in an orderly and self-controlled way
- › Show respect to members of staff and each other
- › In class, make it possible for everyone to learn
- › Move calmly around school
- › Treat the school buildings and school property with respect
- › Wear the correct uniform at all times
- › Accept sanctions when given
- › Refrain from behaving in a way that brings the school into disrepute, including when outside school or online

Core routines for stopping and listening, movement, assembly, playtime, the dining hall and safe online conduct are explicitly taught, practised and revisited.

Where appropriate and reasonable, adjustments may be made to routines within the curriculum to ensure all pupils can meet behavioural expectations in the curriculum.

6.1 Mobile phones

Pupils are prohibited from using mobile phones during the school day, in line with the DfE's [mobile phone](#) and [behaviour](#) guidance.

There is a separate mobile phone policy which sets out our expectations regarding mobile phones and similar devices, including exceptional circumstances. Pupils are prohibited from using mobile phones during the school day unless an individual exception has been expressly agreed by the Headteacher.

7. Responding to behaviour

John Emmerson Batty Primary School uses a calm, predictable and graduated response. Behaviour that is not immediately unsafe normally follows this sequence: prevention and positive noticing; one calm reminder; a formal warning; a supervised supported reset; senior leader response; and, for serious or repeated incidents, a Headteacher decision. Steps may be shortened when a pupil responds and bypassed where behaviour is serious, unsafe or safeguarding-related.

7.1 Classroom management

Teaching and support staff are responsible for setting the tone and context for positive behaviour within the school.

They will:

- › Establish welcoming starts and calm endings;
- › Clear classroom, transition and resource routines;
- › Concise instructions checked for understanding;
- › Appropriately pitched learning;
- › Active supervision; and planned regulation opportunities where needed.
- › Staff use specific praise, proximity and positive framing,
- › Correct privately wherever possible,

- Remain calm, describe the behaviour rather than label the pupil and use the least intrusive effective response.
- A classroom reset space may support regulation but is not used as an unsupervised exclusion.

7.2 Safeguarding

The school recognises that:

- Changes in behaviour may be an indicator that a pupil is in need of help or protection
- Specific circumstances, such as being a young carer, looked-after child, or living in a vulnerable household, can significantly affect behaviour

We will consider whether a pupil's misbehaviour may be linked to them suffering, or being likely to suffer, significant harm.

Where this may be the case, we will follow our child protection and safeguarding policy, and consider whether pastoral support, an early help intervention or a referral to children's social care is appropriate.

Please refer to our child protection and safeguarding policy for more information.

7.3 Responding to good behaviour

When a pupil's behaviour meets or goes above and beyond the expected behaviour standard, staff will recognise it with positive recognition and reward. This provides an opportunity for all staff to reinforce the school's culture and ethos.

Positive reinforcements and rewards will be applied clearly and fairly to reinforce the routines, expectations and norms of the school's behaviour culture.

Positive behaviour will be recognised:

- specific verbal and written praise;
- Class Dojo points for meeting expectations, positive conduct, effort, improvement and being a positive role model, with two points available for an exceptional contribution;
- stickers, smiley faces and age-appropriate class recognition;
- praise postcards or positive messages to families;
- Headteacher Award Certificates in weekly celebration assembly for work, progress, behaviour or attitude;
- Golden Headteacher Award Certificates for exceptional achievement or conduct beyond usual expectations;

7.4 Responding to misbehaviour

When a pupil's behaviour falls below the standard that can reasonably be expected of them, staff will respond in order to restore a calm and safe learning environment, and to prevent recurrence of misbehaviour.

Staff will endeavour to create a predictable environment by always challenging behaviour that falls short of the standards, and by responding in a consistent, fair and proportionate manner, so pupils know with certainty that misbehaviour will always be addressed.

De-escalation techniques, including the use of pre-arranged scripts and phrases, can be used to help prevent further behaviour issues arising, including situations where staff may need to use a restrictive intervention. See our policy on the use of restrictive interventions for more detail on prevention and de-escalation strategies

All pupils will be treated equitably under the policy, with any factors that contributed to the behavioural incident identified (e.g. whether a pupil has specific vulnerabilities) and taken into account.

When giving behaviour sanctions, staff will also consider what support could be offered to a pupil to help them to meet behaviour standards in the future.

The school may use 1 or more of the following sanctions in response to unacceptable behaviour:

1. **Reminder:** one calm, brief and preferably private reminder linked to the Three Rs, followed by take-up time.
2. **Formal warning:** identify the behaviour, its impact, the expected alternative and the next step.
3. **Supported reset:** a pre-agreed seat or supervised partner-class reset, normally for 5 to 15 minutes and only as long as necessary. Learning is provided and the sending adult retains responsibility for follow-up.
4. **Senior response:** used for continued disruption, refusal of the reset, repeated removals or a significant incident. This may lead to supported regulation, internal removal, parent contact, a targeted plan or a further proportionate consequence.
5. **Headteacher decision:** used for serious or repeated incidents, failure of support plans or where suspension may be considered.

Available proportionate consequences include completion of interrupted or unfinished learning at an appropriate supervised time; a temporary change of seat, activity or group; loss of a reasonable and related privilege; supervised reflection or restorative work during part of break or lunchtime while preserving reasonable access to food, drink and the toilet; repair or restitution; supported removal from class; internal removal for a defined period; a behaviour report or individual plan; suspension; or permanent exclusion in the most serious circumstances.

At lunchtime, staff normally use: a friendly reminder; a clear warning; a supervised supported reset of 5 to 10 minutes; senior leader support; and a senior leader response. Reminders and warnings do not require routine recording. Supported resets are entered in the lunchtime log. Repeated, significant or unsafe incidents are recorded on CPOMS. Lunchtime staff do not normally contact parents/carers; this is undertaken by the class teacher or senior leader.

Personal circumstances are considered when choosing a response. Staff liaise with the SENDCO, DSL, Headteacher or other relevant senior leader where appropriate. Immediate danger, serious harm, absconding, bullying, discriminatory abuse, sexual harassment or violence, prohibited items or another safeguarding concern bypasses the usual sequence: staff secure safety, summon senior/DSL help and record the incident factually on CPOMS.

7.5 Restrictive interventions, including use of reasonable force

Our approach to restrictive interventions follows the [DfE's latest guidance on restrictive interventions](#).

We have a separate 'use of restrictive intervention (including reasonable force and seclusion) policy'.

Restrictive interventions are used to prevent, restrict, or subdue movement of the body or part of the body of a pupil. It describes both physical and non-physical actions aimed to restrain pupils in different ways.

Our staff understand that any form of force or restraint carries a risk of physical and psychological harm, so we always avoid using these measures where possible.

7.5.1 Reasonable force

Reasonable force covers a broad range of actions used by staff that involve a degree of physical contact to restrain pupils, using no more force than is needed for the least amount of time, the application of which will depend on the circumstances.

All members of staff have a legal power to use reasonable force in certain situations, to prevent a pupil from:

- Hurting themselves or others
- Committing a criminal offence

- Damaging property
- Causing disorder among pupils, in or out of lessons

Reasonable force must:

- Always be used as a last resort
- Be used in a way that maintains the safety and dignity of all concerned
- **Never** be used as a form of punishment
- **Never** involve restraining a pupil in a way that affects their airway, breathing or circulation, for example by covering their nose and/or mouth or applying pressure to their neck or abdomen
- **Never** be used if the pupil is on the ground. If a pupil is unintentionally held on the ground, staff should release their hold or move into a safer position as quickly as possible

When considering using reasonable force, staff should, in considering the risks, carefully recognise any specific vulnerabilities of the pupil, including SEND, mental health needs or medical conditions.

7.5.2 Seclusion

Seclusion is a **non-disciplinary intervention** that keeps a pupil confined to a place away from others and prevents them from leaving, for the safety of that pupil and/or others.

We only use seclusion as a safety measure when a pupil is experiencing high levels of emotional or behavioural dysregulation. Seclusion is **not** used as a threat or punishment and is **not** a disciplinary response to deliberate or wilful misbehaviour.

During seclusion:

- The pupil will be secluded in a safe place that does not feel threatening or intimidating to them e.g The Ship wellbeing room.
- The pupil will be supervised at all times, by at least 1 member of staff.

As soon as the immediate risk of harm has reduced, the pupil will be allowed to leave.

7.5.3. Recording and reporting requirements

Staff have a legal duty to record and report all:

- Significant incidents involving force
- Seclusion incidents
- Restraint incidents

7.6 Searching, screening and confiscation

Searching, screening and confiscation is conducted in line with the DfE's [latest guidance on searching, screening and confiscation](#).

Confiscation

Any prohibited items (listed in section 3) found in a pupil's possession as a result of a search will be confiscated. These items will not be returned to the pupil.

We will also confiscate any item that is harmful or detrimental to school discipline. These items will be returned to pupils after discussion with senior leaders and parents/carers, if appropriate.

Searching a pupil

Searches will only be carried out by a member of staff who has been authorised to do so by the headteacher, or by the headteacher themselves.

Subject to the exception below, the authorised member of staff carrying out the search will be of the same sex as the pupil, and there will be another member of staff present as a witness to the search.

An authorised member of staff of a different sex to the pupil can carry out a search without another member of staff as a witness if:

- The authorised member of staff carrying out the search reasonably believes there is risk that serious harm will be caused to a person if the search is not carried out as a matter of urgency; **and**
- In the time available, it is not reasonably practicable for the search to be carried out by a member of staff who is the same sex as the pupil; **or**
- It is not reasonably practicable for the search to be carried out in the presence of another member of staff

When an authorised member of staff conducts a search without a witness, they should immediately report this to another member of staff, and make sure a written record of the search is kept.

If the authorised member of staff considers a search to be necessary, but not required urgently, they will seek the advice of the headteacher, designated safeguarding lead (or deputy) or pastoral member of staff who may have more information about the pupil. During this time the pupil will be supervised and kept away from other pupils.

A search can be carried out if the authorised member of staff has reasonable grounds for suspecting that the pupil is in possession of a prohibited item or any item identified in the school rules for which a search can be made, or if the pupil has agreed.

An appropriate location for the search will be found. Where possible, this will be away from other pupils. The search will only take place on the school premises or where the member of staff has lawful control or charge of the pupil, for example on a school trip.

Before carrying out a search the authorised member of staff will:

- Assess whether there is an urgent need for a search
- Assess whether not doing the search would put other pupils or staff at risk
- Consider whether the search would pose a safeguarding risk to the pupil
- Explain to the pupil why they are being searched
- Explain to the pupil what a search entails – e.g. “I will ask you to turn out your pockets and remove your scarf”
- Explain how and where the search will be carried out
- Give the pupil the opportunity to ask questions
- Seek the pupil’s co-operation

If the pupil refuses to agree to a search, the member of staff can give an appropriate behaviour sanction.

If they still refuse to co-operate, the member of staff will contact the the Headteacher / designated safeguarding lead (or deputy), to try to determine why the pupil is refusing to comply.

The authorised member of staff will then decide whether to use reasonable force to search the pupil. This decision will be made on a case-by-case basis, taking into consideration whether conducting the search will prevent the pupil harming themselves or others, damaging property or causing disorder.

The authorised member of staff can use reasonable force to search for any prohibited items identified in section 3, but not to search for items that are only identified in the school rules.

The authorised member of staff may use a metal detector to assist with the search.

An authorised member of staff may search a pupil’s outer clothing, pockets, possessions, desk or locker.

‘Outer clothing’ includes:

- Any item of clothing that isn’t worn wholly next to the skin or immediately over underwear (e.g. a jumper or jacket being worn over a t-shirt)
- Hats, scarves, gloves, shoes or boots

Searching pupils' possessions

Possessions means any items that the pupil has or appears to have control of, including:

- Desks
- Lockers
- Bags

A pupil's possessions can be searched for any item if the pupil agrees to the search. If the pupil does not agree to the search, staff can still carry out a search for prohibited items (listed in section 3) and items identified in the school rules.

An authorised member of staff can search a pupil's possessions when the pupil and another member of staff are present.

If there is a serious risk of harm if the search is not conducted immediately, or it is not reasonably practicable to summon another member of staff, the search can be carried out by a single authorised member of staff.

Informing the designated safeguarding lead (DSL)

The staff member who carried out the search should inform the DSL without delay:

- Of any incidents where the member of staff had reasonable grounds to suspect a pupil was in possession of a prohibited item as listed in section 3
- If they believe that a search has revealed a safeguarding risk

All searches for prohibited items (listed in section 3), including incidents where no items were found, will be recorded in the school's safeguarding system.

Informing parents/carers

Parents/carers will always be informed of any search for a prohibited item (listed in section 3). A member of staff will tell the parents/carers as soon as is reasonably practicable:

- What happened
- What was found, if anything
- What has been confiscated, if anything
- What action the school has taken, including any sanctions that have been applied to their child

Support after a search

Irrespective of whether any items are found as the result of any search, the school will consider whether the pupil may be suffering or likely to suffer harm and whether any specific support is needed (due to the reasons for the search, the search itself, or the outcome of the search).

If this is the case, staff will follow the school's safeguarding policy and speak to the designated safeguarding lead (DSL). The DSL will consider whether pastoral support, an early help intervention or a referral to children's social care is appropriate.

Strip searches

The authorised member of staff's power to search outlined above does not enable them to conduct a strip search (removing more than the outer clothing) and strip searches on school premises shall only be carried out by police officers in accordance with the Police and Criminal Evidence Act 1984 (PACE) Code C.

Before calling the police into school, staff will assess and balance the risk of a potential strip search on the pupil's mental and physical wellbeing and the risk of not recovering the suspected item.

Staff will consider whether introducing the potential for a strip search through police involvement is absolutely necessary, and will always ensure that other appropriate, less invasive approaches have been exhausted first.

Once the police are on school premises, the decision on whether to conduct a strip search lies solely with them. The school will advocate for the safety and wellbeing of the pupil(s) involved. Staff retain a duty of care to the pupil involved and should advocate for pupil wellbeing at all times.

Communication and record-keeping

Where reasonably possible and unless there is an immediate risk of harm, before the strip search takes place, staff will contact at least 1 of the pupil's parents/carers to inform them that the police are going to strip search the pupil, and ask them whether they would like to come into school to act as the pupil's appropriate adult. If the school can't get in touch with the parents/carers, or they aren't able to come into school to act as the appropriate adult, a member of staff can act as the appropriate adult (see below for information about the role of the appropriate adult).

The pupil's parents/carers will always be informed by a staff member once a strip search has taken place. The school will keep records of strip searches that have been conducted on school premises, and monitor them for any trends that emerge.

Who will be present

For any strip search including that involves exposure of intimate body parts, there will be at least 2 people present other than the pupil, except in urgent cases where there is risk of serious harm to the pupil or others.

One of these must be the appropriate adult, except if:

- The pupil explicitly states in the presence of an appropriate adult that they do not want an appropriate adult to be present during the search, **and**
- The appropriate adult agrees

If this is the case, a record will be made of the pupil's decision and it will be signed by the appropriate adult.

No more than 2 people other than the pupil and appropriate adult will be present, except in the most exceptional circumstances.

The appropriate adult will:

- Act to safeguard the rights, entitlements and welfare of the pupil
- Not be a police officer or otherwise associated with the police
- Not be the headteacher
- Be of the same sex as the pupil, unless the pupil specifically requests an adult who is not of the same sex

Except for an appropriate adult of a different sex if the pupil specifically requests it, no one of a different sex will be permitted to be present and the search will not be carried out anywhere where the pupil could be seen by anyone else.

Care after a strip search

After any strip search, the pupil will be given appropriate support, irrespective of whether any suspected item is found. The pupil will also be given the opportunity to express their views about the strip search and the events surrounding it.

As with other searches, the school will consider whether the pupil may be suffering or likely to suffer harm and whether any further specific support is needed (due to the reasons for the search, the search itself, or the outcome of the search).

Staff will follow the school's safeguarding policy and speak to the designated safeguarding lead (DSL). The DSL will consider whether, in addition to pastoral support, an early help intervention or a referral to children's social care is appropriate.

Any pupil(s) who have been strip searched more than once and/or groups of pupils who may be more likely to be subject to strip searching will be given particular consideration, and staff will consider any preventative approaches that can be taken.

7.7 Child-on-child abuse

We recognise that children are capable of abusing their peers. Abuse will never be tolerated or passed off as "banter", "just having a laugh" or "part of growing up", as this can lead to a culture of unacceptable behaviours and an unsafe environment for pupils.

All child-on-child abuse is unacceptable and will be taken seriously.

Most cases of pupils hurting other pupils will be dealt with under this policy.

Where allegations raise safeguarding concerns, this will be managed under our safeguarding policy. Our safeguarding policy contains further information on how we prevent and manage incidents of child-on-child abuse.

7.8 Off-site misbehaviour

Sanctions may be applied where a pupil has misbehaved off-site when representing the school. This means misbehaviour when the pupil is:

- Taking part in any school-organised or school-related activity (e.g. school trips)
- Travelling to or from school
- Wearing school uniform
- In any other way identifiable as a pupil of our school

Sanctions may also be applied where a pupil has misbehaved off-site, at any time, whether or not the conditions above apply, if the misbehaviour:

- Could have repercussions for the orderly running of the school
- Poses a threat to another pupil
- Could adversely affect the reputation of the school

Sanctions will only be given out on school premises or elsewhere when the pupil is under the lawful control of a staff member (e.g. on a school-organised trip).

7.9 Online misbehaviour

The school can issue behaviour sanctions to pupils for online misbehaviour when:

- It poses a threat or causes harm to another pupil
- It could have repercussions for the orderly running of the school
- It adversely affects the reputation of the school
- The pupil is identifiable as a member of the school

Sanctions will only be given out on school premises or elsewhere when the pupil is under the lawful control of a staff member.

7.10 Suspected criminal behaviour

If a pupil is suspected of criminal behaviour, the school will make an initial assessment of whether to report the incident to the police.

When establishing the facts, the school will endeavour to preserve any relevant evidence to hand over to the police.

If a decision is made to report the matter to the police, the headteacher will make the report.

The school will not interfere with any police action taken. However, the school may continue to follow its own investigation procedure and enforce sanctions, as long as it does not conflict with police action.

If a report to the police is made, the designated safeguarding lead (DSL) will make a tandem report to children's social care, if appropriate.

7.11 Zero-tolerance approach to sexual harassment and sexual violence

The school will ensure that all incidents of sexual harassment and/or violence are met with a suitable response, and never ignored.

Pupils are encouraged to report anything that makes them uncomfortable, no matter how 'small' they feel it might be.

The school's response will be:

- Proportionate
- Considered
- Supportive
- Decided on a case-by-case basis

The school has procedures in place to respond to any allegations or concerns regarding a child's safety or wellbeing. These include clear processes for:

- Responding to a report
- Carrying out risk assessments, where appropriate, to help determine whether to:
 - Manage the incident internally
 - Refer to early help
 - Refer to children's social care
 - Report to the police

Please refer to our child protection and safeguarding policy for more information.

7.12 Malicious allegations

Where a pupil makes an allegation against a member of staff and that allegation is shown to have been deliberately invented or malicious, the school will consider whether to discipline the pupil in accordance with this policy.

Where a pupil makes an allegation of sexual violence or sexual harassment against another pupil and that allegation is shown to have been deliberately invented or malicious, the school will consider whether to discipline the pupil in accordance with this policy.

In all cases where an allegation is determined to be unsubstantiated, unfounded, false or malicious, the school (in collaboration with the local authority designated officer (LADO), where relevant) will consider whether the pupil who made the allegation is in need of help, or the allegation may have been a cry for help. If so, a referral to children's social care may be appropriate.

The school will also consider the pastoral needs of staff and pupils accused of misconduct.

Please refer to our child protection and safeguarding policy and our policy for managing allegations against staff including low level concerns for more information on responding to allegations of abuse against staff or other pupils.

8. Serious sanctions

8.1 Detention

Teachers and members of the senior leadership team are authorised by the Headteacher to issue supervised break or lunchtime detentions. After-school detention will only be arranged by, or with the approval of, the Headteacher or a designated senior leader and parents/carers will be given appropriate notice.

Pupils can be issued with detentions during break, after school or on weekends during term time.

The school will decide whether it is necessary to inform the pupil's parents/carers.

When imposing a detention, the school will consider whether doing so would:

- Compromise the pupil's safety

- Conflict with a medical appointment
- Prevent the pupil from getting home safely
- Interrupt the pupil's caring responsibilities

8.2 Removal from classrooms

In response to serious or persistent breaches of this policy, the school may remove the pupil from the classroom for a limited time. Removal from the classroom is a serious disciplinary measure and distinct from seclusion, which is strictly non-disciplinary (see section 7.5 above for more detail on seclusion and its use).

Pupils who have been removed will continue to receive education under the supervision of a member of staff. This education will be meaningful, but it may differ from the mainstream curriculum.

Removal is a serious sanction and will only be used in response to serious misbehaviour. Staff will only remove pupils from the classroom once other behavioural strategies have been attempted, unless the behaviour is so extreme as to warrant immediate removal.

Removal can be used to:

- Restore order if the pupil is being unreasonably disruptive
- Maintain the safety of all pupils
- Allow the disruptive pupil to continue their learning in a managed environment
- Allow the disruptive pupil to regain calm in a safe space

Pupils who have been removed from the classroom are supervised by a member of teaching staff, support staff or senior leader in an agreed supervised location. A supported reset is normally 5 to 15 minutes. Any longer internal removal must be authorised by a designated senior leader, last no longer than necessary, provide meaningful education and be reviewed during the day.

Pupils will not be removed from classrooms for prolonged periods of time without the explicit agreement of the headteacher.

Pupils should be reintegrated into the classroom as soon as it is appropriate and safe to do so. The school will consider what support is needed to help a pupil successfully reintegrate into the classroom and meet the expected standards of behaviour.

Parents/carers will be informed on the same day that their child is removed from the classroom.

The school will consider an alternative approach to behaviour management for pupils who are frequently removed from class.

Where a pupil is frequently removed from class, the school:

- Reviews patterns, triggers, teaching and provision with the pupil and family
- Support may include check-in and check-out with a trusted adult,
- Additional regulation or transition support,
- Adjusted classroom provision,
- A short-term behaviour report,
- An individual behaviour support plan or risk assessment,
- SEND graduated response,
- Seek External advice or multi-agency support.
- Repeated use of removal triggers review by the Headteacher, SENDCO and relevant pastoral or safeguarding leaders.
- Short-term behaviour report cards
- Long-term behaviour plans

- Pupil support units
- Multi-agency assessment

Staff will record all incidents of removal from the classroom in the behaviour log, along with details of the incident that led to the removal, and any protected characteristics of the pupil.

8.3 Suspension and permanent exclusion

The school can use suspension and permanent exclusion in response to serious incidents or in response to persistent poor behaviour which has not improved following in-school sanctions and interventions.

The decision to suspend or exclude will be made by the headteacher and only as a last resort.

Please refer to our exclusions policy for more information.

9. Responding to misbehaviour from pupils with SEND

9.1 Recognising the impact of SEND on behaviour

The school recognises that pupils' behaviour may be impacted by a special educational need or disability (SEND). Pupils with SEND may react to distressing or confusing situations by displaying behaviours which may be harmful to themselves and others. Pupils who have difficulty communicating verbally might show their needs and discomfort through their actions.

When incidents of misbehaviour arise, we will consider them in relation to a pupil's SEND, although we recognise that not every incident of misbehaviour will be connected to their SEND. Decisions on whether a pupil's SEND had an impact on an incident of misbehaviour will be made on a case-by-case basis.

When dealing with misbehaviour from pupils with SEND, especially where their SEND affects their behaviour, the school will take its legal duties into account when making decisions about enforcing the behaviour policy. The legal duties include:

- Taking reasonable steps to avoid any substantial disadvantage to a disabled pupil being caused by the school's policies or practices ([Equality Act 2010](#))
- Using our best endeavours to meet the needs of pupils with SEND ([Children and Families Act 2014](#))
- If a pupil has an education, health and care (EHC) plan, the provisions set out in that plan must be secured and the school must co-operate with the local authority and other bodies

As part of meeting these duties, the school will anticipate, as far as possible, all likely triggers of misbehaviour, and put in place support, including behaviour support plans where appropriate, to prevent these from occurring.

We will utilise staff who know individual pupils with SEND well to:

- Help identify and manage risk, such as trigger points when challenging behaviour is more likely to occur
- Develop proactive strategies to reduce the likelihood of restrictive interventions being used

We will also work with the pupil, their parents/carers and other professionals to develop prevention and de-escalation strategies.

Any preventative measures will take into account the specific circumstances and requirements of the pupil concerned.

The school anticipates and reduces likely triggers through pupil-specific planning. Reasonable adjustments may include:

- additional processing time;
- visual prompts,
- now/next boards or simplified language;
- planned movement, sensory or regulation breaks;

- adjusted seating or uniform expectations;
- alternative safe ways to show listening or participation;
- a trusted adult; communication aids;
- an adapted format or location for reflection; and access to a supervised regulation space.
- Individual plans identify strengths, triggers, early signs, protective factors, what adults should do and avoid, meaningful recognition, adapted consequences, family communication, review dates and measures of success.

9.2 Adapting sanctions for pupils with SEND

When considering a behavioural sanction for a pupil with SEND, the school will consider whether:

- The pupil was unable to understand the rule or instruction
- The pupil was unable to act differently at the time as a result of their SEND
- The pupil was likely to behave aggressively due to their particular SEND

If the answer to any of these is 'yes', it may be unlawful for the school to sanction the pupil for the behaviour.

The school will then assess whether it is appropriate to use a sanction and if so, whether any reasonable adjustments need to be made to the sanction.

9.3 Considering whether a pupil displaying challenging behaviour may have unidentified SEND

The school's special educational needs co-ordinator (SENCO) may evaluate a pupil who exhibits challenging behaviour to determine whether they have any underlying needs that are not currently being met.

Where necessary, support and advice will also be sought from specialist teachers, an educational psychologist, medical practitioners and/or others, to identify or support specific needs.

When acute needs are identified in a pupil, we will liaise with external agencies and plan support programmes for that child. We will work with parents/carers to create the plan and review it on a regular basis.

9.4 Pupils with an education, health and care (EHC) plan

The provisions set out in the EHC plan must be secured and the school will co-operate with the local authority and other bodies.

If the school has a concern about the behaviour of a pupil with an EHC plan, it will make contact with the local authority to discuss the matter. If appropriate, the school may request an emergency review of the EHC plan.

The school liaises with Redcar and Cleveland Borough Council's SEND and Inclusion services through the local authority's published professional referral and EHC plan review routes. Current contact details are maintained by the SENDCO.

10. Supporting pupils following a sanction

Following a sanction, the school will consider strategies to help the pupil to understand how to improve their behaviour and meet the expectations of the school.

Once the pupil is calm, an adult holds a brief, non-shaming reintegration conversation. The adult clarifies what happened and its impact, hears the pupil's perspective, agrees any appropriate repair or consequence, identifies support or adjustment for next time, checks readiness and welcomes the pupil back. Face-to-face mediation or an immediate apology is not forced where there is bullying, abuse, coercion, dysregulation or a power imbalance. Following internal removal or suspension, a senior leader may arrange a reintegration meeting, individual goals, daily check-in, behaviour support plan, risk assessment or SEND/pastoral review. The responsible adult and review date are recorded.

11. Pupil transition

11.1 Inducting incoming pupils

The school will support incoming pupils to meet behaviour standards by offering an induction process to familiarise them with the behaviour policy and the wider school culture.

11.2 Preparing outgoing pupils for transition

To ensure a smooth transition to the next year, pupils have transition sessions with their new teacher(s). In addition, staff members hold transition meetings.

To ensure behaviour is continually monitored and the right support is in place, information relating to pupil behaviour issues may be transferred to relevant staff at the start of the term or year.

12. Training

All staff receive behaviour induction before working unsupervised with pupils. The Three Rs, core routines, response scripts, CPOMS recording thresholds, lunchtime procedures and emergency arrangements are practised at least annually and revisited where monitoring identifies inconsistency. Relevant staff receive additional training in SEND and reasonable adjustments, de-escalation, safeguarding, bullying and discriminatory behaviour, harmful sexual behaviour and restrictive intervention. Staff can seek coaching or support from the Headteacher, senior leadership team, SENDCO or DSL. Behaviour management forms part of continuing professional development and a staff training log is maintained.

A staff training log can be found in appendix 2.

13. Monitoring arrangements

13.1 Monitoring and evaluating behaviour

The school will collect data on the following:

- Behavioural incidents, including removal from the classroom
- Attendance, permanent exclusions and suspensions
- Use of pupil support units, off-site directions and managed moves
- Incidents involving restrictive intervention, including the use of reasonable force
- Incidents of searching, screening and confiscation
- Perceptions and experiences of the school behaviour culture for staff, pupils, governors, trustees and other stakeholders (via anonymous surveys)

The data will be analysed from a variety of perspectives including:

- At school level
- By age group
- At the level of individual members of staff
- By time of day/week/term
- By protected characteristic

The school will use the results of this analysis to make sure it is meeting its duties under the Equality Act 2010. If any trends or disparities between groups of pupils are identified by this analysis, the school will review its policies to tackle them.

13.2 Monitoring this policy

This behaviour policy will be reviewed by the headteacher and Education, Inclusion and Church Committee (ESICC) at least annually, or more frequently, if needed, to address findings from the regular monitoring of the behaviour data (as per section 13.1). At each review, the policy will be approved by the ESICC and the Headteacher

A written statement of behaviour principles is a separate document [\[INSERT LINK\]](#) will be reviewed and approved by the trustees annually.

14. Links with other policies

This behaviour policy is linked to the following policies:

- Suspension and exclusions policy
- Anti-bullying policy
- Child protection and safeguarding policy
- Restrictive interventions policy
- Mobile phone policy
- Inclusion strategy
- Statement of behaviour principles
